

## Assignment week 11: Fine Tune your DCD

---

### Options for business cases (with descriptions):

1. **Library management system (example for inspiration):**
  - **Description:** This system manages books, students (members), librarians and lending activities in a university library. Students can search for available books, borrow them and return them. Librarians can manage the book stock and handle loan requests.
  - **Examples of concepts:** book, student, librarian, borrowing, reserving.
  - **Use cases:** Borrowing a book, returning a book, searching the catalogue, reserving a book.
  - **Domain objects:** book, student, librarian, loan transaction.
2. **Online food ordering system:**
  - **Description:** This system allows customers to view menus from different restaurants, place orders and track deliveries. Restaurant owners can manage their menus and delivery drivers can update the status of deliveries.
3. **Student registration system:**
  - **Description:** This system allows students to register for courses, view timetables and manage study plans. Teachers can manage course offerings and view registration lists.
4. **Parking management system:**
  - **Description:** This system manages parking spaces for an office complex. Employees can reserve parking spaces, check availability, and manage their reservations. Administrators can allocate parking spaces and ensure efficient use of the parking spaces.
5. **Online ticket sales system for events:**
  - **Description:** On this platform, users can purchase tickets for events such as concerts, sports matches and theatre performances. Event organisers can post events and users can view event details and reserve tickets.

### Part 1: Fine Tune your DCD

Apply this week's theory to the business case you chose at the beginning of this academic year. Review your DCD.

#### **Please note: Mandatory portfolio submission before week 12**

At the **end of week 11**, and **before the start of week 12**, you must submit your complete portfolio to date via **Canvas**. This is a **mandatory submission**: without this submission, you will **not** be allowed to take the exam after week 12.
